MOST holiday remembrances—flowers, candies, and the like—last but a few days; even the memory has disappeared in a fortnight or so.

Decorations of evergreens—one of these boxes—will remain fresh for weeks, bringing a daily thought of the donor. One of my friends said that the Galax, the Holly and the Ground Pine kept splendidly until long after Candlemas, and that the Spruce remained green for over three months.

SEND A BOX TO YOUR FRIENDS

Select the box collection that appeals to you (or make an assortment as you choose), send the name and address of your friends, and I will ship direct from Ashford. A card, bearing your own name as the giver, will be enclosed in the box.

I am sure that you and your friends will be delighted with this unusual token of regard at the holiday season.
